

100Grannies.org for a Livable Future

100Grannies Founder

The late Rev. Barbara Schlachter

Barbara said, “We Grannies are off our rockers.”

Grannies with James Hansen NASA scientist & author of *Storms of My Grandchildren*

Grannies with Bill McKibben, founder of 350.org, in Madison.

Environmental award to New Pi

At Bold Nebraska's energy barn blocking path of KXL pipeline.

Grannies are great at getting kids involved.

Yes, Grannies are great with kids!

Grannie Miriam walking across USA with Great March for Climate Action

Great March for Climate Action at Ped Mall in Iowa City – Grannies were great hosts & supporters.

11 Grannies testified at IUB pipeline hearing

At IUB hearing.
We sure stand out in a crowd.

Lots of rallies, lots of signs, lots of commitment, lots of action

Sandwich board downtown on Action Day

Grannies show up at IUB meetings.

Grannies at Indiana BP refinery for *BREAK FREE* demonstrations

Joining forces with BPRC coalition to protect the Des Moines River

Flotilla on Des Moines River protesting pipeline

Photo: Paul Hellenschmidt

Protesting can be fun!

Grannies set up educational tables at many local events.

Grannies donate environmental books to local schools.

Grannies fight against all injustice

Resistance and action wear many beautiful faces.

Grannies have worked 5 years to “Ban the Bags” in Iowa City. Now state law says we can’t. Don’t count us out!

One of many “snit-ins” to educate the public

Better than watching TV & eating bon-bons!

We show up where the action
& damage are.

Collaborating with *MISSISSIPPI STAND*

Several of us have been arrested in DC to draw attention to the climate crisis.

At *Democracy Spring* march from Philly to DC demonstrating for democracy.

Grannies' famous banner drops in Iowa City.

Participating in divestment campaign

Grannie Green helps at mall divestment table

Another trip to Nebraska to help with energy barn blocking KXL

This is who we are and what we do!

Planting a tree at energy barn in memory of our founder, Barbara Schlachter

At IUB office - our voices, signs and bodies to protect Iowa and the planet.

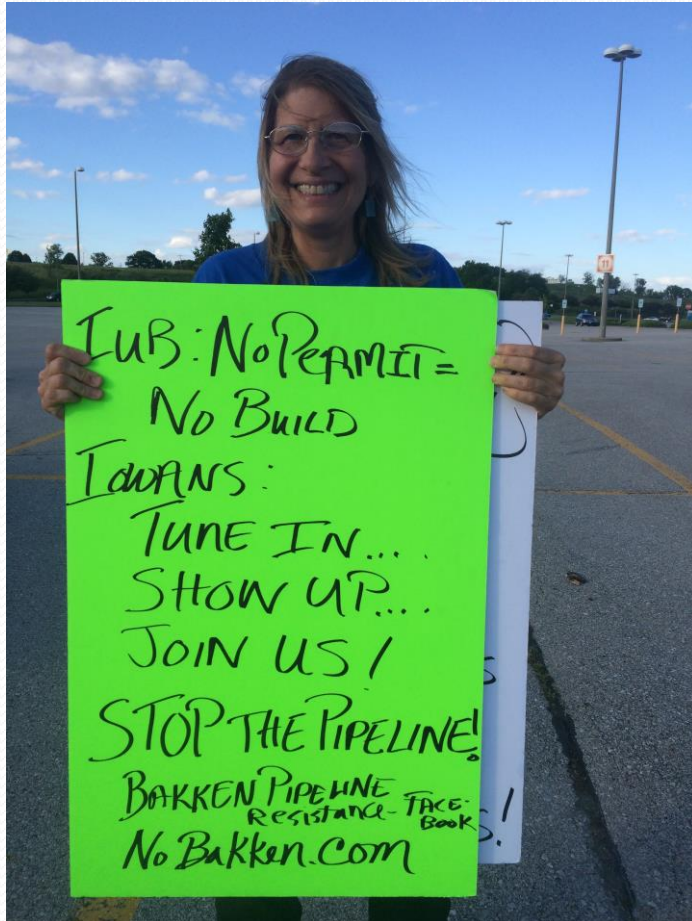

Grannies at the Iowa capitol many times

Scoping out the pipes

Words AND Deeds

4th of July Parade in Coralville

Supporting heartsick landowners as land is taken by eminent domain

Farmland taken by Eminent Domain - before

Then this.

This is what happens
to Iowa farms.

Saturday booth at farmer's market

Grannies' street theatre satire at IUB: Branstad & board in bed with the Bakken

Blocking DAPL/BAKKEN equipment in Boone.

Thirty people arrested for trespassing.

Arrested at Boone blocking construction vehicles drilling under the Des Moines River.

Press conference & rally at Boone Courthouse after guilty plea & \$275 fine for “trespassing.”

Many Grannies at Mississippi Stand

Boring under the Mississippi UNTHINKABLE!!

Police protect those who destroy farmland, water & the planet,

While arresting peaceful water protectors.

“100Grannies 5” arrested protecting Mississippi, pled not-guilty, set for trial, dismissed by judge.

Several of us made multiple trips to support water protectors at Standing Rock.

Upside down flag is a universal distress signal

Grannies persist, persevere, and protect
Passionately!

**Nevertheless,
she
persisted.**

We Can Do It!

If Rosie could do it, we can do it, too!

ENVIRONMENT
IS EVERYTHING
